It will normally take 3 to 5 business days for a transaction to reach your account, although in some cases, such as those involving transactions from abroad, this can take longer.

The way in which payments are allocated can make a significant difference to the amount of interest you will pay until the balance is cleared completely.

If you are unable to make your minimum payment this month, please call us straight away on 0800 028 6692. We are here Monday - Friday, 9am - 7pm.
